PROFESSIONAL SUMMARY

Apparel merchandising professional with experience coordinating international brand orders across sourcing, costing, quality compliance, and buyer communication - supporting factory-level output of 1M+ garments annually. Complemented by 3+ years of graphic design expertise, bringing additional capability in brand assets, marketing materials, and visual execution without external dependency.

WORK EXPERIENCE

Asst. Merchandiser - Merchandising & Business Development

January 2026 — Present

The Perfect Fit Co. Ltd

- Coordinate end-to-end merchandising operations for 3 international clothing brands including Daffa, Sayyer, and Richmond - managing 2 active orders across tech packs, costing, and buyer communication.
- Liaise with global brand representatives on product development and quality compliance, supporting a factory output of 1M+ garments annually from Daffa alone.
- Support B2B business development by identifying new client leads and assisting in deal negotiations to strengthen buyer pipeline.
- Prepare merchandising reports and order trackers for senior management to maintain visibility across production milestones.

Executive - Business Development & Marketing Communications

August 2024 — December 2025

R.M. Group (Remac Metal Industries Ltd.)

- Work with the team of business development professionals, overseeing performance and setting strategic targets.
- Handle client relationships with strong negotiation and presentation skills.
- Organize B2B meetings with corporate clients and close deals.
- Develop strategic plans for market expansion and prepare monthly/yearly growth reports.
- Plan and execute marketing campaigns; create catalogues, brochures, and social media content.
- Design, develop and regularly update company website using Figma and Framer.
- Utilize Adobe Creative Suite, Canva for marketing materials while maintaining brand consistency.
